

Ninderry Manor is a tranquil mountain retreat nestled in 5 acres of peaceful gardens and natural bushland in the beautiful surrounds of majestic Mt. Ninderry with magnificent views over the Maroochy Valley and the Blackall ranges to the Glasshouse Mountains.

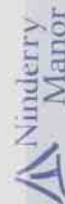

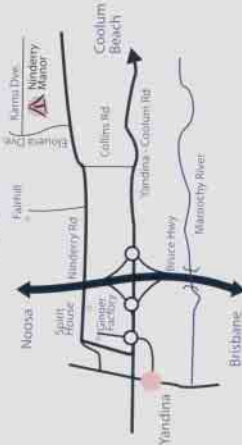

Enjoy a welcome drink, take a dip in the pool or climb Mt. Ninderry and be rewarded with panoramic 360 degree views of the fabulous Sunshine Coast and it's hinterland. In the evening watch the sun go down over the Blackall Ranges with a cocktail and canapes and wonder at the light changes while listening to the wildlife calling their evening song.
